

REMARKS

The Examiner has rejected all of the claims under the doctrine of obviousness-type double patenting over U.S. Patent No. 6,738,930. A Terminal Disclaimer to address this double-patenting rejection is attached.

The Applicants believe that with the filing of the attached Terminal Disclaimer, the application is now in condition for allowance, and early notification of the same would be much appreciated.

Respectfully submitted,

Christopher M. Jensen et al.
